NORTHERN CROATIA PREMIUM CRUISE FROM OPATIJA

Cruise aboard a very comfortable small ship to explore Croatia's coastline. You'll visit picturesque islands, charming cities, lovely small ports and a few hidden gems on this very relaxing cruise. You will explore stunning Kvarner Bay and its islands as well as the beautiful city of Zadar. Spend your mornings admiring the spectacular scenery, enjoying swimming in crystal clear Adriatic sea and your afternoons and evenings exploring old historical towns or indulging in late nights in some of these beautiful port towns. Embark in Opatija at the foot of Učka mountain. Built at the turn of the 20th century, Opatija has been a popular destination for tourists for 100 years. Well-maintained public gardens, the illuminated 12-km-long coastal promenade, cafes, villas, hotels and plenty of opportunities for shopping and excursions make Opatija an ideal destination. We will also spend a night in beautiful Mali Lošinj. Due to excellent climate Lošinj was proclaimed as a climatic health resort by a decree of the Ministry of Health of the Austrian-Hungarian Monarchy in 1892. Soon it became a popular holiday destination of the Austrian-Hungarian aristocracy, who built numerous villas and summer residences on the island. Lošinj archipelago is famous for dolphins, which you will probably see during your cruise.

ITINERARY

Day 1: Opatija to Krk Island

Your vessel will leave at 13:00 - Lunch will be provided on board and we will stop for a swim in the crystal clear sea en route to Krk Island - Croatia's largest island. Krk has immense variety in its villages large and small, mixing gentle green promenades with bare rocky wilderness, tiny islands and hundreds of hidden bays and beaches. Evening at leisure to enjoy numerous cafes and restaurants alongside the waterfront. Overnight in town of Krk.

Day 2: Krk Island to Rab Island

We cruise to Rab Island, known as the "island of love". There will be time for sightseeing of the old town with its medieval walls, Romanesque church towers, churches, palaces, stone streets and ancient facades. Enjoy the "gallery" on the streets and squares and try famous "Rapska torta" cake, it is a must. If the time allows walk up to Kamenjak Hill to enjoy the magnificent sunset. Overnight in town of Rab.

Day 3: Rab Island to Zadar

Cruise from Rab towards Zadar along Pag Island with a swim stop on tiny Maun island. Take an optional guided tour of the Zadar, which was for centuries the metropolis of Dalmatia, and today is the centre of the region. Zadar is rich in monumental heritage of world importance. You can see the Roman forum, built in the 1st century AD, the 9th century church of St. Donatus - the most famous medieval basilica and the symbol of the city, the mighty city walls with representative Port and Land gates from the 16th century AD, and numerous palaces & villas. The town is full of great restaurants. Of special interest are the famous Zadar Sea Organs, one of a kind in the world and "The Greeting to the Sun" light installation. Overnight in Zadar.

Day 4: Zadar to Molat Island or Olib

We will leave Zadar quite early to cruise to Molat or Olib island (depending on available space in the small harbours). Both islands are situated in the northern part of Zadar's archipelago,

more peaceful and serene than Zadar. Captain's dinner party on board and overnight.

Day 5: Molat Island or Olib to Losinj Island

After breakfast and a morning swim, cruise towards Ilovik, the island of flowers, for a short stop before departing for Losinj Island, one of the most popular islands on the northern Adriatic due to the abundance of pine trees and clear waters, and its endangered population of bottlenose dolphins. Mali Losinj, known as the "sunshine island", has spectacularly good ice cream. On arrival take a walk along the harbour or walk up to the Losinj Aromatic Garden or simply visit nearby, picturesque, town of Veli Losinj. Overnight in Mali Losinj.

Day 6: Losinj Island to Cres Island

After a morning swim leave for Cres Island, a long and narrow island covered with oak, beech and pine forests as well as vineyards and olive tree plantations. Cres and Mali Losinj used to be one island but a channel dug by the Romans separated them. Spend the night in the harbour of this typical medieval town Cres. Cres is also home to a tiny population of Griffon vultures.

Day 7: Cres Island to Opatija

Cruise to Opatija enjoying spectacular views of famous Opatija Riviera as we go. Late afternoon arrival to Opatija for a stroll along the famous Franz Joseph promenade - Lungo Mare - to
