Climbing the rigging, untying ropes, setting sails - today is all about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

DAY 3, Portimão/Portugal

Arrival 08.00 am, Departure 02.00 pm In Portimao, the sightseeing tour begins as soon as you enter the mouth of the Rio Arade. All hands on deck: On the port side, the steep sandstone cliffs, the sunny Praia da Rocha, the marina and the Santa Catarina Fortress pass by one after the other. From the former center of sardine fishing, Portimao has developed into the most popular holiday resort in the western Algarve. Where the trawlers used to moor, there is now the wide Ribeirinha harbor promenade, at the end of which is the Town Museum, housed in the restored halls of the former fish cannery.

DAY 4, Passage at the Tagus Lisbon/Portugal

Arrival 14.00 Uhr The most beautiful approach to the Portuguese capital is to travel up the River Tagus. One of the city's most famous landmarks has been greeting visitors right on the estuary since 1521 - the Torre de Belem. This is a UNESCO World Heritage Site and transports you back to the glory days when Portugal was a naval power. There are many landmarks, such as the facades of the houses decorated with azulejos tilework and the ancient trams that rattle through the city. But Lisbon has many different sides. Joie de vivre comes face to face with the melancholy of Fado music, winding lanes in the old city meet wide boulevards, while magnificent churches and

austere monasteries show the two sides of former religious faith.

Building a three-mast full-rigged ship with traditional rigging in the 21st century may seem a little unusual. For SEA CLOUD CRUISES it is a commitment to true passion for sailing. With her clear, classic line she follows the example of her elegant windjammer sisters, but goes completely new ways. An entire deck with balcony cabins, an exclusive wellness and SPA area, a fitness room with sea view, a bistro on deck as an evening alternative to "fine dining" in the restaurant - the youngest member of the SEA CLOUD family offers plenty of room for individuality in addition to genuine windjammer romance. The SEA CLOUD SPIRIT combines traditional windjammer experience with 21st century comfort with up to 136 passengers. Cabins Even more comfort: of the 69 cabins from the owner suite to the superior outside cabin, almost half have balconies or windows to open.
