THE MIGHTY BRAHMAPUTRA RIVER

The mighty Brahmaputra river in Northern India originates high in the Himalayas before flowing through the scenic Assam Valley where UNESCO protected national parks and remote rural communities provide the traveller with the most wonderful and authentic expedition. We are pleased to operate this new program with safaris in search of the Greater One-Horned Indian Rhinoceros and Indian tiger. We also visit tea plantations and artisan villages, temples and War Graves.

ITINERARY

DAY 1 GUWAHATI

Transfer to ship from airport and explore this pleasant Assami city visiting the Nilachai Hill temple and Commonwealth Graves. Late afternoon cast off upriver.

DAY 2 SAILING

Sail all day making headway against strong currents through the lush Assami countryside stopping for some exercise in a village of market gardens.

DAY 3 TEZPUR

Exploring the town by trishaw we visit the De Parbatia temple with its richly carved portals and Cole Park with its collection of medieval carvings collected from across the region.

DAY 4 NAMERI NATIONAL PARK

After an early breakfast, drive for some two hours to the Nameri National Park at the foot of the blue hills of Arunachal Pradesh, the old North East Frontier Agency. Here, we take a float trip of around two hours down the Jia-Bhoreli River through the park. There are excellent bird-watching opportunities here (look out for the great Hornbills) and, perhaps, the chance of sighting wild elephants. After lunch, take a village walk before returning to the ship. Continue upstream, passing below a seemingly endless new bridge across the vast width of the riverbed, to moor at Silghat.

DAY 5 KAZIRANGA NATIONAL PARK

Jeep safari to Kaziranga an area of approximately 430 sq kms, this UNESCO World Heritage is home to the world's largest population of the Indian One-Horned Rhinoceros as well as the Indian Wild Water Buffalo. It has the highest density of Royal Bengal Tigers with one every five sq. km. The park an incredibly rich biodiversity hotspot with its marshy swamps and thickets of elephant grass, this park supports large populations of Indian elephants, Indian bison, swamp deer, and capped langurs. Besides wildlife, Kaziranga National Park is also a birding paradise. A few of the bird species found here are the oriental honey buzzard, black-shouldered kite, white-tailed eagle, himalayan griffon to mention a few.

DAY 6 TEA GARDENS

Return downstream to visit a tea estate and historic plantation house on the way. Learn about the tea production process from start to finish in this idyllic setting.

DAY 7 SUALKUCHI SILK VILLAGE

Sailing down past Guwhati moor here in the afternoon to see silk production from the cocoon, to spinning and weaving to make the typical saree worn by Assami women.

DAY 8 GUWAHATI

Disembark in the morning and transfer to airport.

Please Note:

Itineraries are subject to change.
