Sea days are rarely dull. Take the time to sit back and let the world go by. The ship's observation decks provide stunning views of the passing ocean. A day at sea gives you the opportunity to mingle with other passengers and share your experiences of this incredible trip or head to our library which is stocked full of reference books. Get an expert's view in one of our on-board lectures or perhaps perfect your photography skills with invaluable advice from our onboard professional photographers.

ITINERARY

DAY 0 PRE CRUISE

DAY 1 DAKAR

Fabulous museums, a thriving art scene and elegant seaside dining showcase Dakar's rich culture and forward outlook. The bustling traditional Medina quarter with its mosques, tea shops and street markets contrasts with the Senegalese capital's French-influenced architecture and cuisine. Mbalax music dominates the vibrant nightlife. Traditional crafts like woodcarvings and paintings sell at Soumbédioune market, making it the perfect souvenir stop.

DAY 2 DAY AT SEA

DAY 3-4 DAKHLA

The city of Dakhla's position on a peninsula along Morocco's Atlantic coast where the desert meets the sea makes it a unique gateway to Western Sahara's landscapes. The region is a haven for birdwatching enthusiasts, with its vibrant flamingo population attracting numerous visitors. Kitesurfing and desert safaris are also popular activities, offering chances to see mammals like sand cats and reptiles including spiny-tailed lizards.

DAY 5 PUERTO DEL ROSARIO, FUERTEVENTURA ISLAND

Fuerteventura, the oldest Canary Island, has some of the Canaries' best beaches with miles of white and golden sand beaches, interrupted only by cliffs and sheltered coves. With

year-round sunshine and refreshing breezes, it's a paradise for beach enthusiasts, attracting surfers, windsurfers and kitesurfers. The Mirador Astronomico de Sicasumbre viewpoint provides a Martian-like landscape with volcanic and otherworldly rock formations.

DAY 6 SELVAGEM ISLANDS

The Selvagens Islands Nature Reserve (also known as the Salvage Island), Portugal's southernmost territory, lies approximately 250 km south of Madeira. It plays a crucial role as a bird sanctuary, safeguarding nesting marine birdlife, such as Cory's shearwater. Designated as a nature reserve in 1971, it is a remarkable, globally unique example of well-preserved and pristine Macaronesian biota, complemented by significant geological features.

DAY 7 FUNCHAL, MADEIRA ISLAND

Madeira is famous for lush gardens with subtropical plants, but Funchal, the capital of the Garden Island, has more to offer. Rua de Santa Maria's colourful Old Town street is brightened with 200 painted doors. Madeira wine cellars' tasting rooms are scattered throughout the town. Taking a cable car ride to Monte provides a scenic experience, then from the top, carreiros, straw-boated drivers, guide wicker-basket sleds down the steep streets.

DAY 8 PORTO SANTO, PORTO SANTO ISLAND

Porto Santo has been dubbed 'the golden island' for its 9-km-stretch of silky sands. This is also where Christopher Columbus stayed en route to 'discovering' America. The 15th-century Columbus House Museum. Along the palm tree- and bougainvillea-lined streets of the island's capital, Vila Baleira, many of the island's restaurants make the local dish of bolo do caco (bread baked on a piece of tile), yam bread served with garlic butter.

DAY 9 DAY AT SEA

Today as you sail, you'll bask in the endless comforts of your ship. From the deck, marvel at the dramatic sea views. Relax with a nurturing facial treatment or massage in the spa or delve into the ship's learning resources. Or, simply take refuge in your cabin and enjoy the opportunity to rest.

DAY 10 LISBON

Spread over seven hills with Sao Jorge Castle views, bustling Lisbon is one of the world's oldest cities. Elegant Baixa, hilltop Alfama with its yellow tram, and scenic Graça overlooking pastel

buildings, are top areas. The Jeronimos Monastery in Belem is a World Heritage Gothic site. The classic Portuguese pastel de nata custard tarts are a local treat. Europe's longest suspension bridge, the Ponte 25 de Abril, crosses the river Tagus.
