about sailing. Time to lean back and relax in the deck chair and watch the passionate crew hoisting the sails by hand.

DAY 3, Terre-de-Haut/Îles des Saintes

Arrival 08.00 am, Departure 01.30 pm Îles des Saintes is a small archipelago which was disputed for a long time until it finally became French in 1816. In the charming main town of Terre-de-Haut, you can take a delightful stroll along the waterside promenade. Boutiques, cafes, bars and restaurants invite you to browse and spend some time here. The 'savour vivre' takes place against a backdrop lit up in all the pastel shades of the Caribbean. Fort Napoleon is set high above the bay and your climb up to it is rewarded by a spectacular panoramic view. On the other side of the island, the Plage de Pompierre invites you to enjoy a dip in the sea and sunbathe on the beach.

DAY 4, Soufrière/St Lucia

Arrival 08.00 am, Departure 05.00 pm Two famous volcanic cones are indisputably the emblem of St Lucia and have been designated as UNESCO World Heritage Sites. Gros and Petit Piton tower over the southern, windward side of the island and, in Soufriere, seem close enough to touch. The volcanoes have in fact long been extinct, but the sulphur springs demonstrate the power of the earth's core and still bubble up. In the Botanical Gardens, natural abundance is combined with artistic arrangements to create a colorful tropical paradise. Some people claim that Josephine, who later became Napoleon's wife, used to bathe in the little pool in the garden.

DAY 5, Tyrell Bay/Carriacou

Arrival 01.30 pm, Departure 07.00 pm Land of the reefs"" is what the Caribbean natives called their home island centuries ago. Its underwater world is still dreamlike today: colorful corals, clear, shallow water and a fascinating variety of species make Carriacou a Mecca for divers and snorkelers. But the little sister of the spice island Grenada can hardly complain about too many visitors: Most guests come with their own sailing yacht and anchor in the shelter of the horseshoe-shaped Tyrell Bay. In the bay's friendly harbor, small bars and restaurants provide an evening Caribbean feeling.

DAY 6, St George's/Grenada

Arrival 08.00 am, Departure 01.30 pm Beautiful beaches, aromatic spice plantations, dense rainforests, waterfalls and a volcano that has long been extinct, picturesquely towering over this stunningly beautiful island. For many people, Grenada is the incarnation of a tropical paradise and St George's the most beautiful little port in the Grenadines. All around the horseshoe-shaped bay there are numerous houses that remind you of colonial times. There is good reason why nutmeg is immortalised on the national flag. Alongside cloves, cinnamon and ginger, it is one of the island's biggest exports.

DAY 7, Day beneath full sails

Fitness, cosmetics, massage, or enjoy the sun and the sea with a good book in the deck chair. The two days of sailing invite to

your personal pampering program on board.

DAY 8, Kralendijk/Bonaire

Arrival 08.00 am, Departure 06.00 pm The second largest island in the ABC islands, which forms part of the Kingdom of the Netherlands, is an idyllic natural paradise with many different faces. In the hilly northern region, lush tropical greenery prevails and in the some areas have a desert-like character with cactuses as high as trees and natural salt lakes that attract whole flocks of pink flamingos. The island also gleams with rugged rocky cliffs, mangrove forests, several small bays, endless sandy beaches and a long offshore coral reef.

DAY 9, Oranjestad/Aruba

Arrival 08.00 am, Departure 02.00 pm Aruba, the most westerly island in the Netherlands Antilles, is also the last in the arc of the Antilles before you reach the South American mainland. Its capital, Oranjestad, founded in 1796, shows that everything here is a bit different. Caribbean pastel-colored houses and Delft tiles, carved wooden doors and Dutch gables, all-around balconies and colonial galleries. All of these features combine to create a style which can only have one name - Aruban. Aruba also offers a distinctive natural landscape, with an inland desert, extensive sand dunes, oddly formed cliffs, impressive cactus forests, strangely shaped divi-divi trees and countless aloe plants.

DAY 10, Willemstad/Curaçao

Arrival 08.00 am Curaçao, alphabetically the last of the ABC, is the largest in the Netherlands Antilles in terms of land area. The neat capital, Willemstad, a trading post for the Dutch West India Company in the 17th century, with its well preserved colonial architecture, is a UNESCO World Heritage Site. The picturesque location of the wide harbor canal, boulevards with beautifully restored facades and colorful, typically Dutch gabled houses make Willemstad a lively "Little Amsterdam", in the bright Caribbean light, beneath palm trees, with azure bays and pearl-white beaches.
