PUGET SOUND & SAN JUAN ISLANDS CRUISE

Travel to where the Cascade and Olympic Mountains meet the sea, forming the stunning Puget Sound and San Juan Islands archipelago. Cruise the clear blue waters to picturesque historic seaside towns such as Anacortes where you can partake in a traditional smoked salmon tasting. As you journey through the San Juan Islands, witness abundant wildlife including whales, eagles, and seals. Enjoy the scenic beauty of the region on our customized shore excursions to Butchart Gardens with its flower-adorned archways and Olympic National Park where you will witness breathtaking vistas. Learn about the cultural influences of both the Norwegians and the Suquamish tribe from the American Cruise Lines onboard historians and local expert guides. On your private balcony, you can sip fine wines from local vineyards, while keeping an eye out for "Spirit," an Orca whale American Cruise Lines adopted during our first season on the Puget Sound.

Anacortes is a picturesque waterfront town located on Fidalgo Island in Northwest Washington. This vibrant coastal community is home to one of the world's largest whale watching fleets, as well as Deception Pass, one of the most photographed places in the Northwest. More than 50 miles of trails run through Anacortes and Fidalgo Island, where you can enjoy views of Mount Erie, four fresh-water lakes, old growth forest, and a variety of wildlife, including bald eagles. Explore the downtown, just a few steps from our dock, and peruse its sophisticated boutiques, art galleries, and antique shops.

Day 3 - Friday Harbor, WA

Friday Harbor is a charming town with a rich history and an abundance of character. Small enough to walk from one end to the other, this secluded coastal fishing village is adorned with historic storefronts, picturesque turn-of-the-century houses, and Coast Salish native carvings. Explore Friday Harbor's diverse topography, from pebbly beaches to magnificent mountains and lush valleys. Stroll through the historic district and witness the local population of whales from the Port of Friday Harbor. At the Whale Museum, learn about Spirit, the orca whale American Cruise Lines adopted during our first season on the Puget Sound.

Day 4 - Cruising the San Juan Islands

Your cruise is as much about the journey as it is about each destination. Today is a day to revel in the scenery, as we make our way through the San Juan Islands. Witness the whales, eagles, and seals that adorn the backdrop of the Olympic and Cascade Mountains. As we cruise, listen to our onboard expert describe the native wildlife or simply sit back and enjoy the sun on the top deck.

Day 5 - Victoria, BC / Port Angeles, WA

The only Canadian town on our cruise, Victoria is a wonderful place to spend a day on a guided tour through the magnificent Butchart Gardens and lively waterfront. Start the tour from our berth in Port Angeles, continuing to Hurricane Ridge with vast views of the Strait of Juan de Fuca and the mountainous wilderness of Olympic National Forest.

Day 6 - Port Townsend, WA

Bordered by Puget Sound and the Strait of Juan de Fuca, Port Townsend is a historic Victorian seaport with a rich maritime heritage, artistic spirit, and a touch of urban chic. Explore its ornate Victorian era homes, small museums, and unique art galleries as you view the spectacular snow-capped Olympic Mountains.

Day 7 - Poulsbo, WA

Poulsbo is a great place to visit for its history, scenery, and lively downtown. Originally a logging camp settled by Norwegians who likened the landscape to the fjords of their homeland, Poulsbo retains a Scandinavian influence. A distinct Native American influence is present in nearby Suquamish, located on the Port Madison Indian Reservation, where a museum is dedicated to the history and culture of this native tribe.

Day 8 - Seattle, WA

Welcome back to Seattle. Relax on the sun deck as the famous skyline of the city draws near. Once we arrive, make the most of your time in Seattle with an excursion to the Seattle Center or allow American Cruise Lines to assist with transportation arrangements home.
