VOLCANIC LANDSCAPES FROM CANARY ISLANDS TO CAPE VERDE 11 DAY LUXURY CRUISE

Between the volcanic archipelagos of Cape Verde and the Canary Islands, PONANT invites you to an unforgettable 11-day interlude, leaving from Santa Cruz de Tenerife. This journey aboard Le Laperouse will take you into the heart of uniquely and wildly beautiful landscapes, featuring majestic volcanos, lush green valleys, isolated inlets, verdant cliffs and historic cities with multiple sources of heritage. Throughout your journey, you will benefit from an excursion included per person per port of call, to choose from a selection offered by PONANT. During this cruise, wander the virgin expanses of the island of Santo Antao from Mindelo, admire the natural beauty and stunning scenery of the Teide National Park from Los Cristianos, or discover the cultural heritage of Praia's historic town centre. The diversity of experiences on offer promises you intense and varied moments (to discover the full range of excursions, go to the itinerary tab). From Santa Cruz de Tenerife on the emblematic island of Gran Canaria, your ship will sail west to reach the vibrant town of Los Cristianos. Succumb to the charms of its atmosphere unlike any other, its mythical Mount Teide, the highest mountain in Spain, and its long stretches of fine sand lapped by the turquoise waters of the Atlantic. You will then discover Lanzarote, also called 'island of fire'. After a call in a Las Palmas de Gran Canaria, Le Laperouse will then drop anchor at La Gomera. This tiny island with lush vegetation is a UNESCO World Heritage Site due to its biosphere reserve. This island is also renowned for its whistling language, Silbo, that the inhabitants use to communicate from one valley to another. Le Laperouse will then sail further south, heading for Cape Verde. On the Islands, formed from volcanic lava and sculpted by the power of the

Atlantic's waves, you will experience the raw beauty of incomparable nature. Soft music rises from Mindelo, the music of Cesaria Évora, "the Barefoot Diva", who is inextricably linked to her island and her town, where she remains revered. The pastel colours of the façades and the former colonial buildings dot the Cape Verdean towns and villages that you will discover from the sea. Then, you will explore Praia, the capital of Cape Verde with its diverse influences, planted with tamarind and silk trees. Wherever you go, you will be captivated by the markets with their bright colours and fragrance-filled stalls. The final port of call of this journey is Dakar, the Senegalese capital renowned for the appeal of its districts and its diverse natural

environment.

ITINERARY

Day 1 Santa Cruz de Tenerife, Canary Islands

The capital city of Tenerife is located on the north-east coast of the island. Close to the port is the monumental Plaza de España, bedecked with a fountain and plant sculptures. Around the plaza, you can admire the white marble Triunfo de la Candelaria obelisk, the historic casino of Santa Cruz and the majestic Guimera theatre. Not far from here, the picturesque Iglesia de la Concepcion church features the characteristic traits of Canaries architecture.

Day 2 Los Cristianos, Canary Islands

Discover the charming village of Los Cristianos, in the south of the island of Tenerife. While the former fishing town is edged by some beautiful fine-sand beaches, it is also known for the two protected nature reserves that surround it - Mount Chayofita and Mount Guaza. Both are ideal for hiking and for admiring the captivating views, facing the North Atlantic. Authentic and festive, Los Cristianos is also famous for its many water-based activities, ranging from scuba diving to snorkelling and water sports.

Day 3 Arrecife de Lanzarote, Canary Islands

Established on a coast sprinkled with cliffs, Arrecife has a pleasant beach and a lagoon full of charm, Charca of San Gines, where the fishermen anchor their boats. The city also

proposes places fed by history and culture, such as the castle San Gabriel, former fort of defense of the city.

Day 4 Las Palmas de Gran Canaria, Canary Islands

A stopover of sunny climes, Las Palmas is located on the north-east coast of Gran Canaria. A few streets away from Puerto de la Luz port, you'll discover the vast Las Canteras beach, bordered with the town's characteristic palms. You'll find these palms are all over Las Palmas, in the streets and squares, especially on the plaza de Santa Ana in the heart of the historical district. It feels like you've travelled back in time here, as you stand looking at the tall houses beside the Santa Ana cathedral. Very close by, you can visit the Casa de Colon, a museum dedicated to the famous explorer. The museum is housed in the palace belonging to the island's former governor. Chances are, you'll be drawn to the covered Vegueta market to partake in some daily life along with the locals and taste some unfamiliar dishes.

Day 5 San Sebastian de la Gomera, Canary Islands

La Gomera rises from the water like a mirage. This volcanic island in the Canaries features jagged cliffs, valleys covered in palm trees, and beaches of black sand bathing in crystal-clear waters. But its greatest treasure lies at its heart: an exceptional laurisilva, a laurel forest whose prehistoric vegetation has been preserved thanks to the microclimate on the island. This unique ecosystem, common a few million years ago in the tropics, forms the Garajonay National Park, listed as a UNESCO World Heritage Site. Like the birds, the Guanches contribute to the

poetry of the island too, with their whistled language called Silbo. This magical-sounding, melodious language is also listed as World Heritage by UNESCO.

Days 6 - 7 At sea

During your journey at sea, make the most of the many services and activities on board. Treat yourself to a moment of relaxation in the spa or stay in shape in the fitness centre. Depending on the season, let yourself be tempted by the swimming pool or a spot of sunbathing. This journey without a port of call will also be an opportunity to enjoy the conferences or shows proposed on board, depending on the activities offered, or to do some shopping in the boutique or to meet the PONANT photographers in their dedicated space. As for lovers of the open sea, they will be able to visit the ship's upper deck to admire the spectacle of the waves and perhaps be lucky enough to observe marine species. A truly enchanted interlude, combining comfort, rest and entertainment.

Day 8 Mindelo

Set on the shores of the Porto Grande bay on the north-west coast of Sao Vicente, Mindelo is considered to be Cape Verde's cultural capital. Here in singer Cesaria Evora's homeland, you can listen to real morna in the bars of the old town, where you can also sip the local grog, a Cape Verdian sugarcane spirit. A few streets from the elegant floating resort of Pont d'agua you'll see the pastel-coloured houses and colonial buildings of the historical district. Other landmarks are the facades of the old Governor's Palace and the busy municipal market.

Day 9 Praia

The capital of Cape Verde, Praia, is located on the southern tip of Santiago island. You can dally in the districts planted with Tamarind and Albizia trees. Above the harbour, the statue of Diogo Gomes pays homage to the man who discovered Cape Verde in 1460. A few streets away, in the old centre, the Ethnographic Museum presents the diversity of the archipelago's cultural origins. Its historical building with transom windows is one of the city's more unusual curiosities.

Day 10 At sea

Senegal stretches along the narrow peninsula of Cape Verde. You may be overwhelmed by its sheer size, but Dakar will win you over with its richly diverse districts, appealing cultural scene and rich natural surroundings. In the historic centre, you'll enjoy the pell-mell of colours and tasty delights in Kermel market. Far from the effervescence of the city, Goree Island, a UNESCO World Heritage Site, is known as a place of remembrance, having once been a slave trade outpost. On the other side of the plateau, the wild Madeleine islands are protected by a national park.
